## To All Branches with Members Working Telereal

Dear Colleague,

### Telereal Pay Review 1 April 2008

Please find attached a self-explanatory letter that has today been distributed to all members for whom we have email addresses in Telereal.

You will see that the offer, which we are recommending for acceptance, is for 14 months to take us through to 1 June 2009. However, the revised rate of pay, which is a consolidated increase of 4.1%, is backdated to 1 February 2008.

We are aware that there has been some movement in our membership within Telereal because of a limited voluntary severance scheme and a number of new recruits who have joined us. Branches are therefore asked to advise CWU HQ of any leavers/joiners since 1 January 2008 as soon as possible as the member's ballot will be conducted on an electronic basis.

Any queries on this LTB should be directed to my office at CWU headquarters.

Yours sincerely,

**Simon Sapper**  
Assistant Secretary
